# RECOGNITION & AWARDS PROGRAM

## The Award:

Organized by the Energy and Environment Foundation, the **Global Environmental Social & Governance (ESG) Award 2026** honors individuals, teams, and organizations for exceptional contributions in driving sustainable, ethical, and socially responsible practices. This prestigious award celebrates innovation, leadership, and impactful initiatives that align environmental protection, social responsibility, and strong corporate governance to create long-term value for people and the planet.

Awarded initiatives may include efforts in:

- Sustainable business strategy and responsible corporate practices
- Energy and resource efficiency, and green innovation
- Workplace safety, employee well-being, and community engagement
- Environmental protection, waste management, and climate action
- Ethical governance, transparency, and inclusive leadership

The Global ESG Award recognizes achievements across sectors—industry, infrastructure, finance, technology, manufacturing, utilities, and more—that are shaping a resilient, inclusive, and sustainable future through ESG excellence.

## Objectives:

- Promote excellence in environmental, social, and ethical governance practices.
- Recognize organizations leading sustainable development through ESG integration.
- Encourage responsible leadership, transparency, and inclusive decision-making.
- Inspire innovation in green operations and community-centered initiatives.
- Highlight impact-driven strategies for long-term stakeholder and environmental value.

## Eligibility:

- Large-scale infrastructure and industrial projects, including transportation networks, power plants, manufacturing facilities, urban infrastructure, and water systems.
- Public Sector Units (PSUs) actively implementing ESG-focused initiatives are eligible.
- Eligible participants also include government agencies, public-private partnerships (PPP), EPC contractors, developers, and corporate entities.
- Organizations demonstrating leadership in environmental stewardship, social responsibility, ethical governance, transparency, and sustainable performance are encouraged to apply.
